
TERMS AND CONDITIONS

Acknowledgments

It is the purchaser's responsibility to check the acknowledgment document for accuracy, correct fabric and finish selections, etc. on all orders.

Deductions

Deductions from invoices are not allowed for any reason without the company's authorization.

Local Codes

The company considers its product to be office furniture and subject to all applicable local fire, electrical and building codes. SINCE LOCAL CODES VARY, THE PURCHASER IS RESPONSIBLE FOR THE PROPER APPLICATION AND INSTALLATION OF THE COMPANY'S PRODUCT IN ACCORDANCE WITH THE REQUIREMENTS OF THESE LOCAL CODES. Engineering, research and testing have been conducted to have electrical components of the company's products conform to national electrical codes. Only Underwriters Laboratories tested and approved electrical components of the company's products conform to national electrical devices. In addition, some panels and components used by the company have been UL approved. Seller shall not be responsible for any damages or expenses resulting from Purchaser's specifications not conforming to the requirements of the law or local building codes, unless it specifically agrees in writing to do so. Since the company has no control over the use to which others may put its products, each user or specifier should determine the products suitability for the particular application.
